AIM OF PROJECT

Island Paradise will be a major new resort on a group of islands located just off the beautiful Caribbean island of Antigua. The masterplan is made up of four islands of varying size and mainland peninsula areas.

Island Paradise will be a major new resort on a group of islands located

just off the beautiful Caribbean island of Antigua. The masterplan is made up of four islands of varying size and mainland peninsula areas.

The vision interprets the colours, landscape and ambience of Antigua to produce a very special place, fully integrated with the environment.

The Island Paradise resort will be a key ingredient in determining the future prosperity of Antigua and its status as a world-class destination.

A RESIDENTIAL MASTERPLAN THAT FULLY INTEGRATES THE DEVELOPMENT INTO THE BEAUTIFUL CONTEXT.
